Alex Brandin

Alex is a Seraphim Blueprint Teacher since 2006, lives in San Francisco and has been offering workshops primarily in Europe and Japan. After

introducing this spiritual system in Germany, Switzerland and Turkey, he is now focusing on providing more opportunities for spiritual seekers in America.

The Seraphim Blueprint is true *California Gold*. First revealed in Atlantean times, it was long lost. Ruth Rendely re-discovered it in Berkeley in 1994. Many enthusiastic practitioners benefit from it already in Asia, Australia and Europe. It has won the Best of Expo Gold award in the category "Spirit, Mind, Body Integration" at San Francisco's New Living Expo twice.
